

AIUTA IL MAGO CAMBIO A FARE  
GRUPPI DA 10 UNITÀ,  
TRASFORMARLE IN DECINA,  
E METTERLI NELLA CASETTA GIUSTA

ESEMPIO

Example activity showing 14 smiley faces with the letter 'u' being grouped into a ten and a four. A yellow star points to a red house labeled 'da' with a red square in the top-left cell, and a blue house labeled 'u' with two blue squares in the top row. Below the houses are boxes containing the numbers 1 and 2.

Practice activity showing 15 smiley faces with the letter 'u' arranged in a 5x3 grid. To the right are a red house labeled 'da' and a blue house labeled 'u', both with empty 3x3 grids. Below each house is an empty box for the answer.
